

To: ALL PLUMBERS – **PLEASE READ**

From: PREBLE COUNTY HEALTH COMMISSIONER

Enclosed is a combined registration and bond form for any individual, more than one, who is owner, part-owner, or member, and any part of whose duties are to perform plumbing in Preble County. The fees for the plumbing program are as follows:

Master Plumber - \$125.00
\$10,000.00 bond

Employee(s) - \$30.00 each

PLEASE NOTE: We must have an original bond form (original ink) with a raised seal or sticker. No copies of bond forms will be accepted.

Plumbing permits - \$50.00 permit fee plus \$15.00 per fixture.

- Plumbing permit costs include 3 inspections. More than 3 inspections require a \$50.00 fee for up to three more inspections.
- Fixture write-ins will be done at the discretion of the plumbing inspector and/or Environmental Health Director.
- Permits will expire one year after date issued.
- Permits are non-transferable.

Plan Review Fee - 30% of the total charge of the plumbing permit

- Plan reviews must be approved and plumbing permits must be pulled prior to any commercial/industrial work being started or be subject to a penalty fee.
- Three copies of engineer-stamped drawings are needed for commercial jobs.

Re-inspection Fee - \$50.00

Penalty - 30% of total cost of permit.

- Permits are subject to penalty if work is started prior to pulling the permits.

The plumbing permit number and name of home owner or business are the information needed when requesting an inspection. We would appreciate at least a 24 hour notice. Plumbing inspections are scheduled for Monday – Friday, 8:00 am – 4:00 pm, however, some variations may occur. When applicable, sewage installation final inspections and/or acceptable water samples for water system permits are needed before a final plumbing inspection can be scheduled. Please plan accordingly.

Just a reminder, any plumber doing commercial/industrial plumbing must carry a state plumbing license. Also, any plumber doing any work on a private water system must carry an Ohio Department of Health Private Water System registration. A private water system consists of everything from the well into the house and including the pressure tank.
